APPLICATION FOR SIGNIFICANT INCREASE IN WATER USAGE

This application shall be prepared by any existing water user who plans to significantly increase the water usage at their property due to renovations, new construction, or for any other reason. For the purposes of this application, a significant increase means additional usage in excess of 300,000 gallons per year over current usage. Upon receipt of this application, the Board of Water Commissioners will schedule a meeting with the applicant to discuss the proposal.
